Dear Dr. Harvey,

I want to thank you for your most valuable participation in our Audubon RAP Mainstreaming Conference. Your workshop was an absolute success, and as you well know, every participant felt he or she gained many valuable ideas and experiences from being a part of your workshop. It was so nice to see such an abundance of enthusiasm amidst all of the Head Start personnel, and I thank you for your contribution in what appears to have been quite a successful training conference.

As I mentioned, you should expect to receive honorarium and expense reimbursement shortly after the 15th of November.

I hope to have the opportunity to see you again sometime, and I can almost guarantee that we will be calling on you again as a RAP consultant!

Please call on us if we can ever be of assistance to you.

Cordially,

Debbie Hill,
RAP Training Coordinator
