DR. ARTHUR W. HARVEY

MAY 2, 2006

On behalf of the people of Hawai'i, we send greetings of aloha and offer our sincere appreciation for your many contributions in the field of music that have touched so many lives in our island state.

Moving to Hawai'i to become the Minister of Music for the Wai'ala'e Baptist Church, little did you know what an impact you would have on our community through your love of music. You have proven that music goes beyond the entertaining and educational values. It also serves as a soothing tool to live healthier, richer and more meaningful lives.

Known as "The Singing Doctor," your music has helped uplift the spirits of many individuals who suffer from various illnesses and conditions. In addition to teaching music at UH-Mānoa, and directing music and worship at Calvary by the Sea Lutheran Church, we appreciate your involvement in helping re-establish the VSA Arts program for the disabled, and for your involvement in creating the Sounding Joy Music Therapy, Inc.

We have also learned that the patients at Leahi Hospital greatly enjoy the weekly concerts you present at its Kaimuki facility. You have been a godsend to many, and your legacy is that you will be remembered by many for years to come. Your compassion and dedication to music therapy is remarkable, and we extend a genuine "mahalo" for this outstanding work.

Best wishes for a healthy, happy and fulfilling retirement.

Aloha,

Linda Lingle
Governor, State of Hawai'i
