About the Class

Dr. Arthur Harvey, an expert in music and special education, will lead these workshops on the *Magical Learning Power of Music*.

Designed specifically for children (ages 3-6) who are persistently overactive, challenged with staying on task, or who have indications of Attention Deficit Disorder, Attention Deficit Hyperactivity Disorder, or learning disabilities.

The class will use music to increase Motor, Perceptual, Social and Language Development. Pre-cognitive skills will also be enhanced.

Two four-week sessions are offered -- students may take one or both sessions. Pre-registration is required.

TMC is a non-profit performing arts school located above the Goodwill Store in Kaimuki. 735-8641. Parking available on Center Street.
